Anti-Bullying Policy

1 Introduction

In accordance with the requirements of the Education (Welfare) Act 2000 and the code of behaviour guidelines issued by the NEWB, the Board of Management of Killashee MDNS has adopted the following anti-bullying policy within the framework of the school's overall code of behaviour. This policy fully complies with the requirements of the *Anti-Bullying Procedures for Primary and Post-Primary Schools* which were published in September 2013.

The Board of Management recognises the very serious nature of bullying and the negative impact that it can have on the lives of pupils and is therefore fully committed to the **following key principles of best practice** in preventing and tackling bullying behaviour:

- A positive school culture and climate which
 - is welcoming of difference and diversity and is based on inclusivity;
 - encourages pupils to disclose and discuss incidents of bullying behaviour in a non-threatening environment;
 - promotes respectful relationships across the school community;
- Effective leadership;
- A school-wide approach;
- A shared understanding of what bullying is and its impact;
- Implementation of education and prevention strategies including awareness raising measures) that-
 - build empathy, respect and resilience in pupils;
 - explicitly address the issues of cyber-bullying and identity-based bullying including racial, homophobic and transphobic bullying;
- Effective supervision and monitoring of pupils;
- Supports for staff;
- Consistent recording, investigation and follow up of bullying behaviour (including use of established intervention strategies);
- On-going evaluation of the effectiveness of the anti-bullying policy.

-
- The promotion of the value of diversity to address issues of prejudice and stereotyping, and highlight the unacceptability of bullying behaviour throughout the school with social stories Circle Time, Stay Safe, RSE, Walk Tall, SPHE and specific programmes e.g. “Friends for Life Programme, Weaving Wellbeing,
 - The fostering and enhancing of the self-esteem of all our pupils through both curricular and extracurricular activities. Pupils will be provided with opportunities to develop a positive sense of self-worth through formal and informal interactions;
 - Whole staff professional development on bullying to ensure that all staff develop an awareness of what bullying is, how it impacts on pupils’ lives and the need to respond to it;
 - School wide awareness-raising on all aspects of bullying to include pupils, parents, guardians.
 - Identifying and making use of additional supports available to the school e.g. NEPS, ISPCC , Barnardos, Naas Child And Family Project, Community Garda
 - Supervision and monitoring of classrooms, corridors, school grounds, school tours and extra-curricular activities. Non-teaching, ancillary staff and external teachers/coaches will be encouraged to be vigilant and report issues to relevant teachers.
 - The implementation of whole school prevention , awareness initiatives including
 - general class reviews to be facilitated at least twice a term, (circle time reviews and/or individual written review 2nd -6th , circle time review and/ or one to one discussion Junior Infants -1st)
 - one SPHE class per month focusing on Anti Bullying awareness and strategies to prevent address bullying,
 - School wide delivery of lessons on bullying from evidence based programmes, e.g .Anti Bullying Campaign, Stay Safe Programme, The Walk Tall Programme
 - annual Friendship Week,
 - Encouraging a culture of naming “mean behaviour” ,and letting the perpetrator know that it is not acceptable . Telling a relevant teacher. It will be made clear to all pupils that when they report incidents of bullying they are not considered to be telling tales but are behaving responsibly.
 - Ensuring that pupils know who to tell and how to tell.
 - Acceptable Internet Use Policy in the school to include the necessary steps to ensure that the access to technology within the school is strictly monitored
 - Development and promotion of an Anti-Bullying code for the school
-

-
- In the majority of situations interviews (individual and small group) will take place outside the classroom situation to ensure the privacy of all involved;
 - All interviews will be conducted with sensitivity and with due regard to the rights of all pupils concerned. Pupils who are not directly involved can also provide very useful information in this way;
 - Getting a written account from pupils involved (including bystanders) may be very helpful and appropriate;
 - When a group is involved, each member of the group will be asked to give an individual report before having a group meeting. Each member of the group should be supported through possible pressures that they may face from other group members;
 - Where the relevant teacher(s) has/have determined that a pupil has been engaged in bullying behaviour, it should be made clear to them how they are in breach of the school's anti-bullying policy and efforts should be made to try to get them to see the situation from the perspective of the pupil being bullied;
 - If this is a first offence in relation to bullying behaviour the 'Relevant Teacher' does not apportion blame but rather treats bullying behaviour as a "mistake" that can and must be remedied. S/He will support the "perpetrator" to develop an understanding of how harmful and hurtful bullying is and seeks a promise that it will stop;
 - The pupil is asked to sign a binding promise (Pupil Behaviour Promise) that they will treat all pupils fairly, equally and respectfully including the targeted pupil(s) (**see attached Pupil Promise sheet**);
 - The child /children will present the signed sheet to the school principal who will store it in the appropriate file in the office.
 - Parents are informed non- formally (phone call) of the incident but no sanction is imposed if the promise of changing behaviour is forthcoming and adhered to. (*This method encourages pupils to report bullying easier as they are aware that they are not getting others "in trouble" so much as enabling them to avoid serious trouble which would be the result if the bullying continued.*);
 - If that promise is honoured and the matter is resolved, the child/ children will have the slate wiped clear. There will be no penalty and that will be the end of the matter;

in Response to incident report sheet) to include the findings of the investigation, the strategy adopted and the outcome of the intervention, as well as any other relevant information.(see attached Incident Report Form) and Actions taken in response to incident Report Sheet)

- All formal documentation regarding bullying incidents and their resolution is retained securely in the school, by the anti-bullying coordinator/principal.

5 Follow up Support

The school's programme of support for working with pupils affected by bullying is as follows:

- Ending the bullying behaviour.
- Ongoing support and monitoring to develop self-esteem (This monitoring and support will target both the victims and the perpetrators);
- Implementation of the education and prevention strategies already mentioned;
- A programme to raise self-esteem and to develop friendship and social skills may be implemented if required. (This programme can target the class as a whole or a small group supported by the learning support team).

6 Supervision and Monitoring of Pupils

The Board of Management confirms that appropriate supervision and monitoring policies and practices are in place to both prevent and deal with bullying behaviour and to facilitate early intervention where possible.

Pupil Behaviour Promise

Pupil Name: _____ Class: _____

I know that all of my fellow pupils are different from each other and from me in many ways, (e.g. *hair colour, skin colour, what we wear, height, weight, size, accent, religion, nationality, whether we are gay or straight, where we live or have lived, what we like to do, whether we are loud or quiet, how good we are at learning, how well we study, how good we are at sports, whether we like music etc. etc*). I would not like to be treated unfairly and made to feel bad by any of my fellow-pupils because of any of these differences or just because they did not like me. I know that I have a right to be different from other pupils and that this does not give anyone the right to treat me unfairly or to be mean to me. I know that I am entitled to fair, equal, respectful treatment in school because of the school's Code of Behaviour and outside of school too.

I also know that all other pupils are entitled to be treated fairly, equally and respectfully. It is wrong to treat anyone any other way. I therefore promise that in future I will treat all my fellow-pupils fairly, equally and respectfully despite our differences and whether I like them or not.

In particular: (*Handwrite below "I will always treat (N) fairly and respectfully"*)
