

IRISH SCHOOL MEALS

www.irishschoolmeals.ie

Bradbury's Irish School Meals is a family run business. We have been involved in the school meals programme since 2004. Since then, we have evolved to supply personalised high-quality school lunches to every student fresh every day. www.irishschoolmeals.ie

Online Ordering

Our online ordering system is extremely easy to use. Please allow 36 hours for the new order to come into action. If your child has an allergy, please go to preferences to select what allergy your child has. There is an allergy listing of all the products used, available at www.irishschoolmeals.ie - please check products before choosing.

Simply go to www.irishschoolmeals.ie to log in using your log in details.

Your log in details will be given to you on a label so you can keep it inside a homework book, or somewhere convenient at home. You can log-in to place your order at any time over the Easter holiday, to have your lunch ready for delivery from the 8th of April.

No Internet? Use the Paper Order Form!

Alternatively, if you do not have access to the internet, you can fill out the paper order form and return it to the school office for collection.

If you have any specific questions around allergies or if you have any difficulty placing your order please don't hesitate to contact us at jill@bradburys.ie or deborah@bradburys.ie or our helpline number: **087 239 2494**

We are always here to help!
